# Iluka Public School Behaviour Support and Management Plan

# Overview

Iluka Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning. Key programs prioritised and valued by the school community are [insert names of programs].

# Promoting and reinforcing positive student behaviour and school-wide expectations

Iluka Public School has the following school-wide rules and expectations:.

Attend every school day, unless they are legally excused, and be in class on time and prepared to learn.

Maintain a neat appearance, including adhering to the requirements of the school's uniform or dress code policy.

Behave safely, considerately and responsibly, including when travelling to and from school.

Show respect at all times for teachers, other school staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.

Treat one another with dignity and respect.

Care for property belonging to themselves, the school and others.

Behaviour that infringes on the safety of others, such as harassment, bullying and illegal or anti-social behaviour of any kind, will not be tolerated.

Iluka Public School uses the following strategies and systems to explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations by:

- creating and maintaining a positive classroom climate
- using structured instruction to engage students in learning
- explicitly teaching students rules and routines
- offering pre-corrections to remind students of expectations
- using active supervision in the classroom.

Responsive strategies include corrective responses to inappropriate behaviours. They support students to re-engage in learning. Effective corrective practices:

- identify why the student is disengaged or being disruptive
- ensure the student understands the corrective response
- are consistent and expected
- are given calmly
- are proportionate to the level of behaviour displayed.
